She is easy in all three phases and is suitable for a child coming off ponies. Ready to upgrade to novice this season. She is super brave cross country, and has a careful scopey showjump. She has jumped bs and won her first British novice. She is quick against the clock and can turn on a six pence so would also succeed in a bs home. She has lovely movement and is a light snaffle mouth ride. She is fantastic to hack alone and in company and isn't spooky at all. Easy to do in all respects.
