**Description**

Irish Sports Horse, Dapple grey, Mare, 6 years, 15.2 hands. Bloodlines Master Imp & Cruising, Non mareish, 10th ALW Unaff 90, 34.8 Double clear Moreton Morrel BE90, 2nd individually BRC winter area SJ Quallifier, Won 2 arena eventings 90. This mare is very sensible and uncomplicated, easy to handle on the ground and snaffle mouthed. She would suit a mother / daughter share as she's good to hack on her own or in groups, goes first or last. She has been on fun rides, autumn hunting & huntertrials. She would also suit a competitive small adult or teenager as she's won 2 arena eventings over the winter and now started this season BE eventing jumping double clears. Bold & brave but careful, she's quick sj and can turn up sharp, jump on the angle & skinnies. Started lateral movements in her flatwork. Very sweet natured, is happy to live in or out, and fine with other horses or left on her own. Clean limbed, past 5 stage vetting last year. Ready to compete. Plenty of pics & videos.
