**Description**

Splash is a 9 year old super star pony. Bay gelding, 14.2hh, 9yrs old. I have owned him for the last 5 years. He has a bold jump, with so much scope. He has competed at 7 BE 90s over the 2016/17 seasons being placed at 4 of them. He is a XC machine! Splash has hunted for the last 4 years with the Jedforest hunt; jumping everything in sight from gates to dikes. Out hunting he helps masters, including leading horses and whipping in hounds with manners to die for. He is very honest, 100% safe, never sick or sorry.
