

JERRY-A STUNNING RIDE AND DRIVE ALLROUNDER

£ 4,995

📍 Tonbridge, South East

Private

01892730378

- 15.2 hands

Description

KWPN Liver chestnut Gelding, 10 years, 15.2 hands. Stunning Ride and Drive Allrounder with Potential. Jerry is a stunning KWPN gelding by Manno. He is an exceptionally genuine gentleman, with a fantastic nature and a wonderful character. He has gorgeous, head turning paces. Loads of step and action combined with being straight and correct. Jerry has been previously been a private drive horse in Holland and belonged to an elderly gentleman before coming to join our family two years ago. We have driven him as a single and as a pair. He has attended Windsor as a pair and behaved impeccably. Jerry also excels as a riding horse, he would make someone an amazing horse to produce further. He is comfortable to ride and has a snaffle mouth with good breaks. He is eager to learn and extremely willing and always wanting to please. He has not got a nasty bone in his body and is very straight forward and uncomplicated and lovely to ride. He has recently started natural and coloured poles and is showing lots of potential. Happy to hack alone and in company, and is a darling to look after. Great to Shoe, box, catch and clip. He travels in a lorry or a trailer and is up to date with his teeth, wormer and jabs. No vices, Only for sale due to owners work commitments, please call in evenings
