A horse with a very bright future ahead of him. Owned since he was broken aged 4, Mo is beautifully bred for a career in dressage. He has been carefully produced under professional supervision to give him a solid, correct foundation for the future. He has lovely rhythmical, balanced, eye catching paces and has the potential to develop up through the levels. In his first season he won numerous preliminary and novice BD affiliated classes and competed the Summer Regional's at Addington, finishing 9th in a class of 45. Please review his BD competition record under his passport name 'Beautiful Feeling'. He is happy to hack out alone and in company by teenagers and is good in traffic, loves a canter around the fields and jumps in the school for fun. He has a wonderful, trainable attitude and is the easiest horse on the ground and enjoys fuss, is perfect to clip, shoe, bath, groom, load etc. He travels well alone or in company. He is ready to go out and win at elementary level and is showing the right attitude and ability to move all the way up through the scales. He would suit either a capable amateur or a professional rider. For sale on behalf of the owner from a competition yard with excellent trial facilities. A special home is sought for this much loved horse.
