Description

We have 3 British Bred 4 year old horses for sale directly from the breeder. All by the fantastic Branco Van Overis (Darco) A 16.1 beautiful grey mare out of a Burgraff mother, a 16hh bay gelding out of a Contender mare and a 16hh Striking blue and white gelding out of a Purioso mother. Luna is very well established on the flat, with perfect changes and working correctly. She has 3 elevated paces and shows real promise for either BS, BE or BD. She is jumping around a set of fences with all fillers at about 1m and has been out training. She has also popped around our xc fences at home proving to be bold, correct and very sensible. She is now ready to go out and be the star we know she can be. She is incredibly easy and would suit a variety of riders though please no novices as she is obviously still young. She is beautiful to look at and has the personality and manners to match, a genuine and easy young horse ready to be moulders in to whatever her new owners wish.

Harry is a 16h bay gelding with Contender lines. He is a real sweetheart to have around and look after. Jumping around our set of fences with all fillers at around 90-1m also popping the xc fences very sweetly and easily. This horse has a lot of blood and we think will make a fantastic eventer. CatBoy is a striking blue and white gelding standing at around 16h. His colour will make him a great prospect for show classes. He is also jumping a set of fences at around 90-1m and shows a good technique over a fence. He has jumped all of our xc fences and is becoming more established on the flat daily. He has a sweet and timid nature and loves attention. He will make a great jumper, eventer or show horse. All of these horses are a pleasure to have around, are used to children, dogs and our free range donkey and will go on to be fantastic sports horses in their chosen fields. All have been started correctly and now need to find their new homes to take them out to see the world. More photos and videos can be seen on our Facebook page Ben Dalton, Showjumper we are based in East Sussex TN21 with excellent trial facilities. All 3 horses are priced under £10k.
