Description

Introducing a very popular mucker boot from Tuffa. The Splasher mucker is available in navy blue and offers a comfortable, cost-effective solution for horse-owners who are out in the yard or field all year round. The Splasher has a waterproof rubber sole and a thermolite upper, designed to protect the feet from the wet and the cold. The inner fleece lining and insole also offer a warm, cosy solution for wintry conditions. The velcro straps are easy to secure with gloved or cold hands.
