**Description**

The Weatherbeeta ComFiTec Plus Dynamic Combo Neck Medium is a comfortable and durable rug packed full of great features at an unbeatable price. It features reflective strips on the front of each side and on the tail flap for added visibility in the field as well as a traditional side gusset for free, natural movement. The Weatherbeeta ComFiTec Plus Dynamic Combo Neck Medium has elasticated, adjustable and removable leg straps so if your horse does manage to break or lose them, they can be easily replaced. It also has a memory foam wither relief pad that contours to the horses shape to relieve pressure and prevent rubbing.

Features;

- \* Super strong and durable 1200 denier triple weave outer shell with repel shell coating
- \* Memory foam wither relief pad
- \* Ezi-Clip front closure, fast and easy to use
- \* Traditional side gusset for natural movement
- \* Elasticated, adjustable & removable leg straps for a secure and comfortable fit
- \* Reflective strips on the front each side and tail flap for added visibility
- \* Twin low cross surcingles
- \* Large tail flap for additional protection

Colour: Stag Print, Navy/Lime Plaid or Purple/Black

\*Rug covered by the 3 Year WeatherBeeta Warranty for Waterproofness, Breathability, Fixtures & Fittings
