

Weatherbeeta - ComFiTec PP Channel
Quilt Standard Heavy

£ 71.99

Private

01273 837824

The Weatherbeeta ComFiTec PP Channel Quilt Standard Heavy 360g is constructed with a 600 denier polypropylene quilted outer keeping your horse warm and comfortable in the winter months. Polypropylene is extremely lightweight and has properties that keep sweat off the body to ensure your horse stays comfortable in the stable. The Weatherbeeta ComFiTec PP Channel Quilt Standard Heavy 360g features a memory foam wither relief pad which lifts the rug off the horses withers, reducing rubbing and pressure keeping your horse comfortable. The rug also features the new Ezi-Clip front closure which is fast and easy to use.

Features;

- * 600 denier Polypropylene channel quilted outer
- * 210T Polyester lining
- * 360g Polyfill
- * Memory foam wither relief
- * Ezi-clip front closure, fast and easy to use
- * Traditional side gusset for natural movement
- * Twin low cross surcingles
- * Fillet string

Colour: Grey Plaid

Size: 5ft 0" - 7ft 3"
