## Description

The Gallop Trojan 600D Combo Lite - 100g has a waterproof and breathable 600 denier ripstop outer, with a nylon lining and 100gsm of insulated fill, making it the perfect transitional rug for cool Spring or Autumn days. It features a fully integrated neck cover for that bit of extra warmth and protection, and fastens with double chest buckles and cross surcingles. There are built in shoulder pleats to reduce rubbing and increase freedom of movement, and this great rug has been finished with a tail flap and detachable elasticated leg straps.
