

**Weatherbeeta - Under Rug Combo -
Navy****£ 34.99****Private****01273 837824****Description**

This handy Weatherbeeta under rug combo is perfect for layering and providing extra warmth for your horse. It can be used under any other standard rug but can also be used as its own rug to help keep your horse clean. The breathable channel quilt provides comfort and the medium 220g polyfil and nylon lining and filet string will provide warmth for the autumn and early spring months.

This rug is so versatile and makes for a handy extra layer for the colder months, its Velcro front closure means its easy to take on or off. The combo neck can be easily removed if necessary.

Features:

- * Durable Polycotton outer
- * 220g Polyfil
- * Low cross surcingles
- * Twin chest straps

Colour: Navy
