- Bay
- Mare
- 16 hands
- Irish Sport Horse

Our lovely Esme (Chacoa Minuette), sire the excellent - Chacoa ,16 hand Bay mare is offered for sale to the right 5* home. Esme took my daughter from Ponies to horses. A total all rounder she has done and excelled in everything from cross country to gymkhana games. She loves to jump and will take her rider over anything she is pointed at. My daughter competed up to 120 showjumping and cross country. She loads well, lunges by voice commands, no problem at all with vet and farrier . She is easy to catch and has no vices. She hacks out alone or in company . She is not a push along so not a novice ride but safe and sane. She has not competed for a few years as my daughter has been in University however she is hacked out several times a week and has been used in both flat and jumping lessons. Currently she is not competition fit but her personality remains constant whether in full or half work . Not in a hurry to sell as this special mare deserves the very best . Open to vettings but would appreciate no time wasters . Based near Kinross in Scotland .
