Buckskin cob colt to make 15.2hh available from weaning in November, deposit secures. Dam & sire both 15.2hh.

Dam died at 3 days old, but been with foster mare for 3 months but is well handled from being bottle fed for a few weeks. Sorry no offers as this boy is a rare find & I have a huge vet bill to pay from bringing him into the world!

Will be passported with TGCA before sale.
