Jolie is a ISH x Selle Francais mare with a friendly and well mannered nature. Reluctant sale due to exam commitments and lack of time therefore she is not being ridden as much recently. She has jumped courses at home and at competitions up to 85. XC - She loves and has competed in ODE's and hunter trails up to 75cm and schooled over BE 90 fences. On the flat she has stunning paces and is responsive and works well. Hacking out - she is good in traffic. Good to shoe, clip and load. She's a character and very friendly to both people and other horses. Loves attention. Videos available on request. Bates saddle and tack available.
