16.3h Striking Palomino Gelding by the Grand Prix dressage stallion Treliver Decanter. This handsome boy oozes presence and is a real head turner. Giorgio is strong and powerful horse with outstanding paces. He has had training in show jumping and dressage but not been to any competitions. He has also been cross country and loved it. He will make a great allrounder or with his exceptional Grand Prix bloodlines a pure dressage horse. He is snaffle mouthed has a comfortable ground covering canter and willing flying changes and would make a great competition horse for a capable competitive amateur or pro rider.

Giorgio has hacked out alone and in company in light to medium traffic. He has spent the last three months being professionally trained and improves with every lesson, he has a very trainable attitude.

Giorgio has been in the same home for 3 ½ years and can be turned out in a small herd with mares or geldings, he is very playful with the other horses in the field. He loads fine in a trailer and lorry. He is fit and ready to start his competition career.
