2016 | 5000 | Manual 2.2 HDI 150BHP Engine | Diesel | Self Colour White with Grey Graphics

The Super Sonic 4,005kg has been designed to cater for the owner who requires a greater payload. It has the ability to carry up to two large horses safely and economically (depending on size and weight).

Complete with all the features of the Sonic, the Super Sonic chassis is rated at 4,005kg with upgraded axles to legally carry the extra load. The Super Sonic is powered by a powerful HDI diesel engine which complies with the latest emission standards, giving effortless performance and outstanding economy.

The Super Sonic also has the benefit of a tack and changing room that is totally separate from the horse area.
