Description

Manual 2.0L HDi 160bhp Engine | Diesel | Bianca White and Firenze Red

A compact, easy to drive horsebox, with a gross maximum weight of 3,500kg, meaning it can be driven by anyone with a standard car licence.

The Sonic is powered by a powerful HDi diesel engine which complies with the latest emission standards, giving effortless performance and outstanding economy.

The Sonic has the added benefit of a tack and changing area that is totally separate from the horses. This incorporates two saddle racks, two bridle racks and two coat hooks. There is also additional storage over the cab.

Main Body Standard Features:

Colour: Graphite Grey & Aluminium Silver

Steering: Variable power steering which is linked to vehicle speed, accounting for lighter steering during low speed manoeuvres and firmer steering at high speeds

Comfort: Height adjustable seats with lumbar support, electric windows, double courtesy light

Seating: Additional Cab Seat. Providing an additional passenger seat with seatbelt in cab (three seats in total)

Exterior: Electrically adjustable dual glass wing mirrors, heated wing mirrors, halogen headlights, daytime running lights

Security: Remote central locking, deadlocks on doors and transponder electronic immobiliser system

Tie Rings: Two external tie rings

Tack & Changing Area Standard Features:

Bulkhead: Full height bulkhead to keep horse area and living area totally separate

Grooms Door: Large, lockable door for easy access

Lighting: Interior light

Floor: Cushion flooring

Ventilation: Three opening windows

Tack Fittings: Two saddle racks, two bridle racks and two coat hooks

Horse Area Standard Features:

Grooms Door: Large, lockable door for easy access.

Partition: Fully adjustable partition with skirt to the floor

Ventilation: Four opening windows and roof vent

Lighting: Interior light

Tie Rings: Two horse tie rings, two haynet tie rings, two exterior tie rings

Ramp: Slip resistant rubber ramp with alloy tread rails

Excel Pack includes:-
