3.5 tonne coachbuilt horsebox for sale. Extremely reliable starts first time every time and very economical. Excellent payload of 1100kg, 101,000 miles. 2 saddle racks and bridle hooks and loads of storage above the cab. Originally by GDR horseboxes on a 2008 chassis, super safe as breast bar removable and escape door at the back + reinforced bulkhead to protect driver and passengers. Aluminium floor, 6 speed gearbox, ABS, drivers air bags, CD player. Heavy duty partition and breastbar. Rubber floor and walls. Camera for viewing your horse during transit as well as external for reversing. Internal LED light. 4 new tyres and new battery January 2019. MOT until May 2020 and last service done May 2018. Only for sale as my daughter is in GCSE year and so not getting out competing as much.
