

Private livery vacancy

£ 100

📍 Otford, South East

Private

Due to a family relocation I have two vacancies.

We are a very small, private yard offering part or full livery in Otford hills area. Horses treated like my own with 5 star care. Large, airy, rubber matted stables. Individual turnout. Night turnout during summer available. Floodlit arena with jumps. Good off-road hacking (with hills). Ab lib hay/haylage. Individual diet plan with pure feed company. Unlimited tea for owner. Happy to arrange your appointments with own farrier, trainer, vet, physio etc, but also happy to book with mine too. Exercise and training also available. Affordable price.

We event so would suit someone who is interested in eventing or likes to get out training etc as we often go out together to lessons and schooling as well as competing.

Would suit someone that likes random amusing photo updates of their horse and being tagged in memes, would also be amazing if they liked to bring us McDonald's breakfast on a Saturday morning, but will settle for happy, friendly horse lover.

Any further information please feel free to contact me.

Thanks
