16.2hh, 7 year old, chestnut gelding. ID X TB.

A lovely fun boy who is easy to do in all ways. Has done showjumping, Dressage and Eventing. A pleasure to take out.

He has the ability to move up the levels in Dressage and is currently jumping 90cm courses with scope to go further.

He is great to hack alone and in company and has been to the forest and went to the beach and behaved impeccably.

He is a real fun horse who he is lovely to handle and be around and will make someone a lovely allrounder/riding club horse.

Up to date with teeth, feet, injections, worming etc.

Good to catch, load, farrier, dentist - he is great to do everything with.

Based in Norfolk.

Only for sale as new job means lack of time.
