Evenstorm is a broodmare and is to VH Vertigo 'Rudi' stallion out of Last Flame by Grafenstolz. scanned in foal and ready to find a new home. she has bred two lovely foals before as seen above, she foaled perfectly etc.

Her sire is: Stephen Got Even, Dam:Summer Wind Storm. Grandsire: Storm Cat !!!!

She has the best nature, and is a super chilled mare, took first time.

Lives out 24/7, rugged in winter and is barefoot, great for farrier and vet. She is a real good doer!  
Worth her weight in gold!
