Brand New (never had a horse in) Equi-Trek Space Treka L Excel Trailer is a rear facing, spacious two horse trailer with basic day living area containing two saddle brackets, bridle hooks and coat hooks and optional box seat with storage.

The trailer has two braked axles to spread the weight evenly and ensure the smoothest and safest of rides for the horses.

The large horse area has a full height central partition with head guard and has plenty of opening windows and optional roof vents for perfect ventilation.

The Excel pack includes many of the most popular options including; seat with storage, skylight roof vent, storage rack, grooms door window, white partition infill, head divider, white loading gates and custom graphics.
