Description

Stunning Andalucian gelding, 17 yo, 15.3", available to adult experienced & caring lady rider for light, sensible hacks twice weekly. Horse is laid back, very well behaved but needs a confident rider. Is using Spanish saddle (very comfortable). Rider must be used to ride out on their own, and used to opening gates and independent handling of horses in general.

No roads, wonderful scenarios. Horse on full livery, no stable work required (only thorough grooming & plenty of cuddles).

Contribution of £ 15- /ride appreciated.

Car is essential. Before replying, please ensure to look up exact driving directions to BN43 5FB!! Mill Hill, Shoreham-by-Sea, on top of the Downs.

Please send detailed summary of your riding experiences and expectations! (And confirming you have checked/googled how to get there!) Include your weight & age. By email only please.

I'm afraid no novices or teenagers would be suitable.
