## Description

Savannah Star

160cm 6yr old bay mare

Super kind and genuine mare. Straight, willing, careful and quick thinking to jump! I can't praise this horse's 'can do' attitude enough. She is an absolute pleasure to have. Easily popping 1m courses, she does not look at any fillers! Xc schooled and is seriously honest and helps the rider out when you're not on the best stride! Confidently jumping water, ditches, steps etc.

Schools nicely and snaffle mouthed, lightly competed winning low level dressage.

She is a lovely hack both alone or in company, goes first or last and is great in all traffic including artic lorries, tractor and trailers etc. I even use her to lead others out! You can go for a blast up the field and then be on the buckle end walking along the next minute.

She is vice free and very easy to do in all ways including: box, clip, catch, lead, shoe, and she gets on with everybody in the field!

Lightly raced, so eligible for ROR, retiring sound at 3. She doesn't need to be ridden everyday.

Savannah has had two owners, her breeder and myself so all history known including the fact she has no vet history, which I am happy for my vets to confirm with any purchaser.

She will be a fabulous horse for a competent person wanting an all rounder that they can SJ and hunt in the winter and event in the Spring. Easily capable of BS and BE with the scope and attitude to do BE Novice with more time and education.

A reluctant sale but due to time restraints she doesn't get the attention she deserves.

Up to date with teeth, vaccinations, worming etc.
