Description

A very reluctant sale... CRISTOLINE TOY BOY
Welsh PB 12hh 7yr old Bay Roan Gelding

A very reluctant sale of a very special pony. He is totally unspoilt & uncomplicated, he's been developed slowly and is now ready to find a jockey & have fun! He's excellent in traffic, will hack alone or in company, happy to go in front and will be led from another horse. He's good to catch, shoe, box, clip. Loves having baths! He loves children! He's just started schooling and has three beautiful paces, a real head turner. Lack of time and no jockey is forcing the sale of this lovely boy. He's good on or off the lead rein so would make a lovely LR/FR. I'm sure he would excel at showing but would equally be good at jumping (his dad was a top showjumping pony 'Longhouse Sensation'), XC, pony club games etc. A fun pony who loves to be busy. Up to date with vaccs & worming and has had his teeth and back checked (all ok). Sensible enquiries only, please - no time wasters! A 5 star home is priority for this pony.
