Description

Coedfedw Enchanted Lady
13hh 9yr old Section C Mare

Lily is well schooled and been in current home since a 2yr old. Been well produced and schools very well, knows leg yield , shoulder in, simple changes.

Lily loves to jump and is showing great promise over fences, is good to hack, load, clip, farrier.

Lily will excel at PC activities and has shown a talent for mounted games, has successfully shown in the ring and at Dressage. Proven safe on fun rides and at the beach with teenage jockey.

Lily can be strong although is not nasty and always ridden in a snaffle, would suit small adult or confident teenager.

She has done local working hunter classes this year and has shown great potential, but has now sadly been out grown. Is currently in work and ready to go.

No time wasters. Potentially would allow her to go on full loan to be kept on current yard with view to buy.

£2000 or with full wardrobe £2500
