Description

Registered with the AHS, 15hh lovely, easy tempered anglo arab mare, rising 9. Won at county level in hand as a 3 year old. Has been out to dressage, clinics and shows, although not shown under saddle due to lack of time. She's been to the beach and on horse holidays, is a dream to hack, fine in open spaces and with heavy traffic, will go in front or behind. Always snaffle-mouthed, never strong.

Due to a change in circumstances she has done very little other than being pulled in for the odd hack over the last 3 years. It would not take much consistency in the school to being her up to scratch for this coming season. She deserves not be wasted as she will bring someone a lot of fun in any sphere.

This mare is easy to do in all respects clipping, shoes, vet etc., and is for sale through no fault of her own so I am in no hurry to sell her, other than to the right home. Happy to negotiate tack etc.
