## Description

LOCATED IN HEATHFIELD, EAST SUSSEX

Available ONLY for part loan/share 3 days a week, can be flexible on days and can include a weekend day, £30 a week and some help with jobs. Roxie is a 13hh, 9 year old coblet. We have owned Roxie for 3 years and she has been a mother/son share. My son now has his own pony and I'm struggling to keep Roxie in full work on my own. She has done a bit of everything, including XC, SJ, showing, sponsored rides, beach rides, she absolutely loves to jump. She has been to pony club, and is great to hack alone or in company and will go first or last. She is easy to do on the ground and loads and travels brilliantly. Happy for sharer to compete or take to pony club. There will be opportunities to come with my son and our other pony to shows etc. She is kept at a friendly yard with a school, lots of jumps and hacking on the cuckoo trail near by. As well as instructor on site. Roxie is not a first pony, she is safe, but fizzy, fun and forward. Would suit an older child, teen or small adult ( 10 stone or under)

She is kept in Heathfield, East Sussex
