

**Weatherbeeta - ComFiTec Plus
Dynamic Combo Neck Heavy****£ 102.99****Private****01273 837824****Description**

The Weatherbeeta ComFiTec Plus Dynamic Combo Neck Heavy is a great choice of winter rug for a 'friendly' or 'wrecker' horse type as it is comfortable and durable as well as a brilliant price. The strong 1200 denier outer has repel shell coating to protect your horse from the rain as it is both waterproof and breathable. The Weatherbeeta ComFiTec Plus Dynamic Combo Neck Heavy has a traditional side gusset for freedom of movement and to prevent rubbing on the shoulders and a wither relief pad that lifts the rug off the wither to reduce rubbing.

Features:

- * Super strong and durable 1200 denier triple weave outer shell with repel shell coating
- * Memory foam wither relief pad
- * 360g Fill
- * Ezi-Clip front closure, fast and easy to use
- * Traditional side gusset for natural movement
- * Elasticated, adjustable & removable leg straps for a secure and comfortable fit
- * Reflective strips on the front each side and tail flap for added visibility
- * Twin low cross surcingles
- * Large tail flap for additional protection

Colour: Purple/Black or Teal/Cerise/Yellow
