Description

Quality 16.1hh registered Irish Sport horse gelding, Frenchie has excellent breeding his grandsire is Quidam de Revel out of a mare by Irish Sport stallion Gael Force. A lovely model of a horse with three good paces and a very athletic jump, happily jumping 1.20m at home. He has competed in ODE and showjumping in Ireland, we have taking him cross country and showjumping schooling. This horse is ready to go BE now or BS, but is also sensible and uncomplicated enough to be a top class riding club horse. He is always in a snaffle and is also an excellent hack on his own and in company. A horse of a lifetime. No vices. Sort hard to find.
