Description

Oro=Gold, the name already fits to the handsome young man.

Oro is a beautiful Lusitano Palomino that shines in the sun like pure gold.

He is now 3 years old and is being gently broken in. Before he did a lot of ground work, he can lie down and sit on command. He is generally very motivated and enjoys circus lessons. Currently he is being ridden in all 3 gaits and behaves exemplary. He is super well-behaved and always tries to do everything right. So far he shows no stallion manners whatsoever, although he is standing in a big mixed stable. He also knows children, dogs, carriages and moving cars and always shows himself calm and with strong nerves.

If you are looking for a horse with which you can do just about anything - be it dressage, show, working equitation or simply as a leisure horse - you have found the right partner in Oro.

Oro comes with an equine passport, without proof of pedigree.

Location: Spain, transport can be organized.
