**Description**

I think this is the most naturally talented horse I have ever sat on and will be a great opportunity for someone to have a lot of fun. 15.3 hands bay gelding, 16 years young. By Fleetwater Opposition out of a Sport Horse graded mare M'Lady Nancy, Bertie was broken in as a 4 year old and then brought back into work as a 5 year old when he went to a few local shows and autumn hunting. Through absolutely no fault of his own he has done nothing since until this year. He came back into work and was saddled straight away and felt just as good as he did 10 years ago! He works exceptionally well on the flat, has an amazing jump and is a joy to look after. He is established in all three basic paces, has an extravagant extended trot and canter and does lateral work easily. Jumping 1 metre courses after only a very few sessions and gives a fantastic feel. He hacks alone and in company, but does tend to jog most of the time and can be a bit spooky when alone. Good to catch, box in lorry or trailer, good with farrier and stand at the mounting block. Despite his age he has lower mileage than most 6 year olds and is still as supple and agile as he ever was. Always snaffle mouth. He has A LOT of impulsion and so would not really suit a novice. Videos available.
