## Description

PLEASE NO TIME WASTERS.

Saturday Sam 2008;

Stable Name; 'Sam'

12 years old

Thoroughbred

Gelding

Ex-racehorse (ROR Registered)

Made to measure saddle available for separate negotiation.

Not a novice ride/please no time wasters.

Sam is a beautifully mannered and loving horse, he came to me only half the horse he is now and its an utterly heart breaking sale. For the last three years Sam has been playing Horseball in Britain, has competed in the Champions League in Belgium once and France twice. He is quick, strong on the field and has so much to give.

I think Sam would thrive in the dressage/show jumping world as he has so much potential with three beautiful paces and the will to learn he is the perfect choice. This said sam is not a novice ride he can be a little nervous and needs someone with patience and confidence.

If he can trust you he will do anything & everything for you!

Sam is good to shoe, load, travel and doesn't need any sedation when seeing the dentist or to be clipped.

Sam was advertised once before, whilst for sale I found out he had kissing spine. His operation was in February and he's made a full recovery and is almost back to full fitness, we've been taking our

time as time is all we've had this year so no need to rush! Physio & Vet are very happy with his recovery. Price reduction since previously advertised!
