Description

Equi Trek Victory 5.

In addition to the standard Victory specification, the Victory Five has a five seater cab fitted with fully approved seatbelts which have been rigorously tested and conform to 2005/41/EC, making them fully EU type approved for utmost safety and peace of mind.

The rear bench seat of the cabin has the option of converting into two bunk beds for overnight stays which, combined with the separate living area, provides comfortable accommodation for up to four persons.

The Victory Five is powered by a powerful HDI diesel engine which complies with the latest Euro 6 standards, giving effortless performance and outstanding economy.
