Description

Rare cross Normandy Cob/Lusitano's from the Jouvin stud.

Two super lads, who are incredibly versatile and willing; both are sensational traffic stopping, head turning drives. As solid as rocks and true professionals. They have also proven equally happy under the saddle and have the added bonus of elegance being inherent, with the even greater gift of the soundness of mind of the Normandy Cob.

These Gelding's would make ideal husband/wife mother/daughter pair. Or perhaps the whole family. Vega is the more energetic, so hunting shooting and fishing an option, and Tintin is the one who would happily put in some elegant moves in dressage. In carriage driving they are equals. Both are happy to hack out alone or together. Can be sold separately, but Ideally would prefer them to stay together and this will be reflected in the price for both.

Two extraordinary, rare Pearl's.
