## Description

Warwickshire Horse Transport offers a bespoke service that can be tailored to your specific requirements - whether you are attending a show, moving yards, require veterinary visits for routine or emergency call outs, recovery breakdown, or emergency stabling. We also offer a complete groom service to ensure you have the best possible day.

Located in the heart of England, we are a family-run business that offers a friendly service with the highest level of horse and customer care.

We are fully compliant, DEFRA trained and approved, fully insured, and hold all up to date certificates relating to animal welfare in transport, so you will have complete peace of mind when you entrust your horse into our care.

Our lorry is a 3.5 tonne coachbuilt stallion build full height partition with temperature control fans, CCTV, to ensure we can keep an eye and you updated throughout the journey.

Available 24/7 7 days a week.
