Description

HONEST ADVERT

Zara is a very sweet 11 year old mare who just loves to be with you. Zara was bought recently as a mother daughter share but is proving to just be too forward for us both. I have been out of riding for 12 years and am just getting back in the saddle and my daughter is a complete novice.

Zara was sold to us as suitable for this and although she has done absolutely nothing wrong she is just a little too much for us (we need a Dobin!) This is a very sad sale as Zara is so sweet and will make someone a wonderful new best friend. I cannot stress enough how this little horse truly is for sale through no fault of her own and deserves to find her forever home.

She is happy to hack alone or in company but we have found she prefers to go with a friend. Zara has 3 beautiful paces and would do a lovely dressage test. She has been good with the farrier although we have not had her shod as she is fine barefoot.

She turns out with mares or geldings.

Absolutely loves children.

We feel she would suit a competent teenager wanting to have fun on or a confident mother/daughter share just not as a first horse.

Zara deserves a loving home where she can go on and have fun. Experienced homes only as we want to find the very best home for Zara.

First to view will buy.
